DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7, 10-12, 14-16, 20-21 and 23-27 are allowed (Claims 8-9, 13, 17-19 and 22 are canceled by Applicant).

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-2, 4-7, 12, 14-16, 23 and 27 is the inclusion of the limitation of the suppression filter being a shielded harmonic suppression filter and including one of a loss pass filter and a band pass filter. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claim 24 (See Office Action mailed on May 13, 2005).

The primary reason for the allowance of claims 25-26, 3, 10-11 and 20-21 is the inclusion of the limitation of the suppression filter being a shielded harmonic suppression filter; and the suppression filter including a plurality of filter sections. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
